

Check Security Options

Altec's Limited software-compatible checks are a quality alternative to custom imprinted documents. Developed for cost-conscious customers who need short run quantities between 250 and 500, Altec's Limited checks allow for a professional image while maintaining the required printed and paper security features to deter fraud.

Side-by-Side Comparison

| | Limited Plus | Limited Ultra |
|--|-------------------|-------------------|
| CHECK PAPER | 24# Security Bond | 24# Security Bond |
| Check21 Compliant – Meets and exceeds ANSI Check21 Legislation for electronic check imaging | ✓ | ✓ |
| Thermochromic Padlock Icon – Heat reactive ink that fades when rubbed briskly | ✓ | ✓ |
| Microprint Signature – Line of type visible under magnification | ✓ | ✓ |
| Check Warning Borders – Alerts financial institutions that security features are present | ✓ | ✓ |
| Padlock Icon - Identifies security features present on document | ✓ | ✓ |
| Security Backer (full length) – The words “Original Document” fade or even disappear when copied or scanned | ✓ | ✓ |
| Colored Check Background – Check Pattern and color are difficult to duplicate | ✓ | ✓ |
| Flourescent Fibers – Yellow fibers visible under black light | ✓ | ✓ |
| Chemical Reactive Paper – Special check paper that produces a stain when alteration is attempted with chemicals or bleach | ✓ | ✓ |
| Toner Adhesion – Unique coating bonds printer toner to paper when run through a laser printer. Prevents lifting and altering. | ✓ | ✓ |
| True Fourdrinier Watermark – Watermark built into the paper at the mill. Cannot be duplicated. | ✓ | ✓ |
| Copy Alert Void Pantograph – ODT hidden word technology makes the word “VOID” appear when copied or scanned. Check 21 compliant | | ✓ |

Limited Plus

Limited Ultra - Copy Alert

Altec's Limited Checks are offered in top, middle, and bottom check positions. Imprints for all stock are in black ink only. If another color is needed, please contact your Altec representative for custom check options as all PMS ink colors are available.
