

# TROY M402 MICR Printer

HP Authorized • TROY Enhanced

The M402 printer is an ideal solution for small businesses who need laser check printing. All TROY printers are fully compatible with TROY MICR cartridges and standard HP cartridges. Enjoy HP award-winning reliability combined with printer optimized security from TROY.

## Benefits

### Streamline, Secure Check Printing

TROY M402 MICR Printers provide companies with the ability to print entire checks on demand, while incorporating logo, customer data, and signature and MICR lines, eliminating the security risks of preprinted check stock.

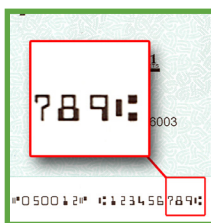

### Add Layers of Security

TROY M402 MICR Printers come equipped with TROY MICR Toner Secure, so each printed check is highly resistant to fraudulent alteration attempts.

### Reduce Time Consuming Processes

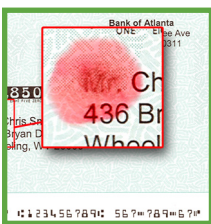

Built-in tray locks and steel shielding protect valuable check stock in the printer, simplifying or eliminating time consuming chain of custody procedures.

## Features

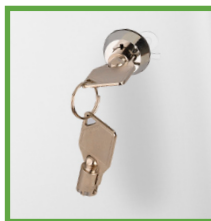

### TROY MICR Technology

Assure MICR print quality with TROY MICR Fonts: E13-B, CMC-7, OCR A and OCR B. Enhance security with TROY Secure Numeric fonts, Convenience Amount fonts, and Barcode fonts.

### TROY MICR Toner Secure

Protect every printed check with OEM quality MICR toner enhanced with a patented hidden red security agent that appears if chemical alteration is attempted on a document.

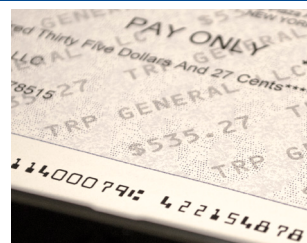

### Paper Tray Locks & Tray Shielding

Prevent unauthorized access to valuable check stock with built-in locking paper trays and steel tray shielding to prevent paper removal from the back of the printer.
